

# SRI LANKAN COOKING

## A TASTE OF SRI LANKA WITH STEVE ASIRVADEM

Immerse yourself in the spice, aroma and flavours of Sri Lanka as you learn to prepare, cook and eat a traditional home style meal and get a glimpse into the culinary history of Sri Lanka.

This is a hands on, yet fun and informal workshop where you learn the basics and share in my experience of growing up in Sri Lanka running amok in my mother's kitchen, where all memories were made through the celebration of food.

You will learn the basics of making your own curry powder, use spices and condiments to build tantalizing curries and enjoy a shared meal together.

**Saturday 27th May OR Saturday 24th June**

**10.00am-1.00pm**

**Cost:\$ 50 plus \$20 ingredients**
