## WEB DESIGN

(919EMPWEB)

Website development is no longer the domain of IT professionals, anyone can build their own website! This course is designed to teach you how to design, create & upload Web pages and websites utilizing HTML coding and various software packages including the web components available in MS Word, MS Publisher and Notepad. Use for your own business or pathway into Certificate 1 or 11 in Information, Digital Media & Technology. Prerequisite: Basic computer knowledge.

**Mondays 9.30am-12.30pm 21st Oct-9th Dec (excl. 4/11)  
(7 weeks) Cost \$40 (con) or full fee \$90 Manual \$15**
