## Public Forum: SAVE OUR SEEDS

A guest speaker will address the threats to our seed diversity from the Monsantos of this world as well as the practicalities of seed saving.

After supper we'll screen the 2016 documentary  
"Seed: The Untold Story".

This film, the winner of 18 film festival awards, is about the importance of heirloom seeds to the agriculture of the world, focusing on seed keepers and activists from all over the planet.
