

PETS IN A SPIN

After successfully working with exotic fibres like Yak, Bison, and Possum, Marion is taking on the world of PETS and DOGS. By spinning their pet's fibre into yarn many clients now have a fabulous, forever connection with their pet.

Come and hear about the whole process and bring your pet's fibre or assessment.

Friday 27th Apr 10.30-11.30am or

Wednesday 16th May 7.00-8.00pm

Cost \$20
